NN4Y Programs

FEDERAL POLICY
With our network of young leaders and service providers we work to expand public resources and implement common-sense policies that prevent and respond to youth and young adult homelessness.

YOUTH + YOUNG ADULT PARTNERSHIPS
We invest in young leaders through our NYAC to educate policymakers, service providers, and community officials throughout the country about youth and young adult homelessness and advocate for solutions so that no young person in America has to experience even one day of homelessness.

COMMUNITY PROGRAMS
We provide on-the-ground support in local communities to address the root causes of homelessness among young people, identify gaps in services and support, and build strong collaborative relationships amongst youth-serving agencies in communities nationwide, leading to improved youth outcomes and system functioning.
We provide a host of onsite and virtual individual and small-group consulting services. For more information visit: https://nn4youth.org/consultation-request/

FISCAL YEAR 2023 APPROPRIATIONS REQUESTS
Fiscal Year 2023 Appropriations Requests

$300 Million for the Runaway and Homeless Youth Act (RHYA) Program

Continue previous report language plus include additional report language to:

- Allow RHYA providers to serve system involved youth
- Allow RHYA providers to serve youth funded by other sources within the program

Talking Points:

- To support approximately 1,400 RHYA projects in communities across the US that meet our young people where they are.
- To allow approximately 49,034 young people access housing and connect with 70,000 youth via street outreach and drop-in centers.

$800 Million for the Education for Homeless Children and Youth (EHCY) Program

Talking points:

- This continues the American Rescue Plan $800 that was both more flexible than the McKinney-Vento EHCY program and also allowed community-based programs to receive funding and formally partner with public schools to improve outcomes for children and youth.
- Public school identified nearly 1.3 million homeless children and youth in the 2019-2020 school year. Yet, less than 1 in 4 school districts receive direct support through EHCY.
Fiscal Year 2023 Appropriations Requests

**CURRENT STATUS**

President’s budget has been released

Funding bills originate in the U.S. House of Representatives

**ASK**

- Ask your U.S. House Representative to sign “Dear Colleague Letter”
- Include $300 million for Runaway and Homeless Youth Act and $800 million for the Education for Homeless Children and Youth Act in your personal request to the appropriations committee
LIHTC “STUDENT RULE” FIX
Pass the Low-Income Housing Tax Credit (LIHTC) Student Rule Fix

- **Current problem:** Youth can’t live in Low-Income Housing Tax Credit (LIHTC) funded housing and be a full time student. This means that young people either have to attend college part-time or not at all- both of which results in youth not attending or completing higher education institutions.

- **Solution:** There is simple no-cost legislation that would fix this issue so that youth can live in LIHTC funded housing and still attend college full time.
Low-Income Housing Tax Credit (LIHTC) Student Rule Fix

CURRENT STATUS

Include the bipartisan legislative text from the Housing for Homeless Students Act in the FY22 omnibus legislation—it doesn’t carry a costs.

ASK

Pass the “student rule” fix included in the Affordable Housing and Credit Improvement Act of 2021 (S. 1136/H.R. 2573).

Language to fix this issue should be included in any moving piece of language.
ADMINISTRATIVE ADVOCACY
Administrative Policy Priorities

- **HUD**
  - On-demand vouchers for youth experiencing any form of homelessness

- **ED**
  - Implement Simplified FAFSA
  - Increase pathways to college and career

- **HHS**
  - Improve administration of the Runaway and Homeless Youth program

- **HUD**
  - Change NOFO to be more inclusive of children, youth, and families
